The Standard Allowances/Specifications for the models are found in our Specification Packets. These "Spec Sheets" are available for each model and may be requested through John Greguska, the listing agent/partner. Phone # 402-612-0594. John Greguska is generally the contact person to clarify what is included in each home and possible changes.

Your selection opportunities will vary depending upon the stage of construction at the time of your purchase. Most of our partners have a website link to aid you in the selection process but below is a list of the retail locations and phone numbers for store hours. You might prefer this printable list for reference. These are the locations and phone #s. We suggest you call for showroom time and hours.
